Dear Mr. Mayor,

I am writing to express my interest in being considered for the vacant Town Council seat.

I am aware that if selected, I will be required to resign from the Board of Zoning Appeals.

My application for the BZA should serve to lay out my background in administration and board experience. Though if you would like more information please let me know.

The last decade spent living in the Corporation has given us a deep perspective on the town and its possibilities and challenges. Through various volunteer activities I have seen Shepherdstown from many different angles and I think this is both a good experiential base, and presents a chance to become more involved. Filling this position is an opportunity I would enjoy taking on and in doing so make a contribution to the Council and our town.

Thank you for your consideration.

Sincerely,

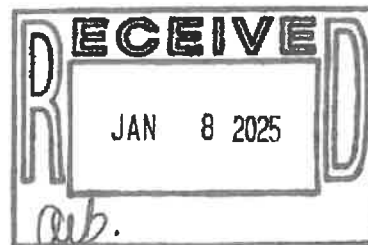

A handwritten signature in black ink that reads "Nancy E. Stewart". The signature is written in a cursive style with a large initial "N" and "S".
