

Petition for the WV Department of Transportation
Complete the Path to Morgan's Grove Park in 2026!
We've been waiting for nearly ten years

Family of a Shepherdstown Middle School student

I respectfully ask the Division of Highways to complete construction of the bike path from Shepherdstown Middle School to Morgan Grove Park by November 2026.

Furthermore, if the construction schedule does not allow completion this year, please build at least the northernmost section nearest to our Middle School by September 2026, with the remaining segments by July 2027. Thank you.
